COUNTRY AT HEART. ROCK 'N' ROLL IN ITS BONES.

Teddy & The SaddleTramps are a Denton-rooted honky-tonk band with a rockabilly and rock 'n' roll streak. Fronted by Teddy Moore, the group formed in 2020 and recorded its debut EP, *Shindig*, at ReelTime Audio during the summer shutdown, with Teddy Rich and Ted Aldine credited as producers.

The catalog continued with *Fun at Parties* and *Not Blue for You* in 2024, followed by *Court of Public Opinion* in July 2025. Teddy also hosts BYOG Live! at 156 IceHouse in Krum, presented by Alambar Entertainment.
